

UJJAIN & SIMHASTHA 2028 — MASTER RAG KNOWLEDGE BASE

Pilgrim & Traveler Chatbot Data Source (Travel • Temples • Hospitals • Police • Transport • Stay • Simhastha)

DATA STATUS	VALUE
Knowledge snapshot	05 September 2026
Simhastha 2028 planning window	27 March 2028 - 27 May 2028
Principal Shahi / Amrit Snan dates	09 April 2028 • 23 April 2028 • 08 May 2028
City	Ujjain, Madhya Pradesh, India
Sacred river	Kshipra / Shipra River
Primary use	RAG / retrieval-augmented pilgrimage & travel chatbot

Critical RAG rule: Treat all operational/event details for 2028 (traffic diversions, mela entry gates, shuttle routes, ghat allocations, tent-city locations, police checkpoints, medical camps, special trains, bus schedules, temple slot rules, and prices) as **dynamic**. The chatbot must never invent these — it should say the latest official notification needs to be checked. Population figures, distances, and directory listings below are the best available estimates as of the snapshot date and should be periodically refreshed.

1. Canonical Facts & Answering Rules

- **Canonical name:** Simhastha 2028 (also written Singhast / Simhasth / Singhastha; described as Ujjain Kumbh or Ujjain Mahakumbh).
- **Location:** Ujjain, Madhya Pradesh, centred on the Kshipra river and its ghats.
- **Frequency:** A periodic Kumbh gathering tied to Jupiter's transit into Simha (Leo), traditionally recurring roughly every 12 years.
- **2028 window:** Currently published as 27 March - 27 May 2028.
- **Three principal Shahi/Amrit Snan dates:** 9 April, 23 April, 8 May 2028 — treat these as the highest crowd-pressure days.
- **Seven Parva Snan:** Government material confirms three Amrit Snan plus seven Parva Snan are planned; the exact seven dates are not final until an authoritative notification confirms them. Non-government sources may publish a proposed list — label it "proposed" if used.
- **Expected attendance:** Do not present a single guaranteed number. Public estimates vary widely; if needed, describe it as "very large, potentially hundreds of millions of visits across the full period," and distinguish visitor-days from unique visitors.

Source hierarchy for the chatbot (highest to lowest trust): 1. Government of Madhya Pradesh / District Ujjain / official temple committee notices 2. Indian Railways / IRCTC / official transport notifications 3. MP Tourism 4. Verified local directories 5. Reputable media 6. Blogs — secondary context only

Answer style: Direct answer first → location/route → dynamic-fact caveat. For emergencies, give the emergency number first, before anything else.

Stable vs Dynamic Fields

Field	Status	Chatbot treatment
Mahakaleshwar is a Jyotirlinga	Stable	Answer directly
Ujjain Junction code UJN	Stable	Answer directly
Nearest airport: Indore	Stable-ish	Use official district distance (~53 km); note it can vary 53–58 km by source/measurement
2028 event window	Published planning date	State as current schedule, advise checking final notification
Shahi Snan dates	Published	State dates; don't claim procession timings unless officially notified
Hotel room prices	Dynamic	Never hard-code 2028 prices
Traffic diversions	Dynamic	Require latest police/district notice
Special trains/buses	Dynamic	Require latest railway/transport notice
Temporary hospitals/camps	Dynamic	Require latest mela medical plan
Ghat allocation/access rules	Dynamic	Require latest mela administration notice
City/district population	Estimate	Base on 2011 census + growth-rate projection; flag as estimate, not a fresh census

2. Ujjain City & District Profile

Attribute	Value	Notes
State	Madhya Pradesh	—
District headquarters	Ujjain city	Ujjain Division HQ
District area	~6,091 km ²	2,352 sq mi
District population (2011 census)	1,986,864	Male 1,016,289 / Female 970,575
District population (2026 estimate)	Roughly 22–24 lakh (2.2–2.4 million)	Projection only — 2021 census was postponed; no fresh official count exists
District literacy (2011)	~72–73.5%	—
District sex ratio (2011)	954–955 females per 1000 males	—
Ujjain city (Municipal Corporation) population (2011 census)	515,215	Male 264,871 / Female 250,344
		Estimates vary by

Ujjain city population (2026 estimate)	Roughly 6.2–7.7 lakh depending on source/growth-rate model	provider (~629,000 to ~773,000); treat as approximate, not census-verified
City literacy (2011)	84.43%	Male 89.66% / Female 78.90%
City sex ratio (2011)	945 females per 1000 males	Child sex ratio ≈ 929–930
Municipal wards	54 wards	Ujjain Municipal Corporation
Neighboring districts	Agar Malwa (N), Shajapur (E), Dewas (SE), Indore (S), Dhar (SW), Ratlam (W/NW)	—
Main river	Kshipra (Shipra), a Chambal tributary	—
Elevation	~492 m (1,614 ft)	—
Coordinates	23.18° N, 75.78° E	—
Time zone	IST (UTC+5:30)	—

Chatbot guidance on population questions: Always state that the last full census was 2011 and the 2021 census was postponed; give the 2011 figure as the verified baseline and any 2026 figure only as an estimated projection, never as an official count. During Simhastha, daily footfall in the city will be far higher than the resident population — do not conflate the two.

3. Simhastha 2028 — Full Event Knowledge

What is Simhastha? Ujjain’s Kumbh gathering, held on the banks of the Kshipra. It combines sacred bathing, akhara processions, saints and religious institutions, devotional activity, cultural events, and a very large temporary civic-management operation.

Why Ujjain? Ujjain is an ancient pilgrimage and cultural centre, home to Shri Mahakaleshwar, one of India’s twelve Jyotirlingas. District Ujjain’s culture page identifies Ram Ghat as the site associated with the Shahi Bath of Simhastha.

Current 2028 Timeline

Date	Event / significance	Confidence
27 Mar 2028	Opening of the current Simhastha window	Published planning calendar
09 Apr 2028	First principal Shahi/Amrit Snan	Published
23 Apr 2028	Second principal Shahi/Amrit Snan	Published
08 May 2028	Third/final principal Shahi/Amrit Snan	Published
27 May 2028	Closing of the current planning window	Published planning calendar

Madhya Pradesh government material states Simhastha 2028 is planned for March–May 2028, with three Amrit Snan and seven Parva Snan. Planning documents also reference roughly 128 projects across

10 departments with an estimated cost above ₹13,752.17 crore, with the Urban Development and Housing Department named as nodal agency. Treat these figures as planning snapshots subject to revision.

Major Festival Components Pilgrims May Ask About

- **Shahi/Amrit Snan** — principal ceremonial bathing occasions involving akharas and religious processions.
- **Parva Snan** — additional auspicious bathing occasions; confirm final dates/arrangements against official notifications.
- **Akhara processions / Peshwai** — ceremonial movements of religious orders; routes and timings are operational and can change.
- **Kshipra ghats** — bathing/devotional zones; access may be regulated during peak periods.
- **Satsang, pravachan, religious camps, cultural programming** — source the exact programme from the official mela calendar.
- **Mahakaleshwar darshan** — a separate temple-management system; Simhastha does not automatically grant every pilgrim unrestricted entry to every ritual without a slot.

4. Shri Mahakaleshwar Jyotirlinga

Shri Mahakaleshwar is one of the twelve celebrated Jyotirlingas, associated with Shiva/Mahakala, and is Ujjain's central pilgrimage attraction. The temple complex includes the main shrine plus other sacred shrines. The official temple committee currently offers online services including Sheeghra Darshan, Sandhya Aarti, Shayan Aarti, Bhasma Aarti, and Pujan/Abhishek booking.

Official Temple Contacts

Service	Current official contact
Temple helpdesk / toll-free	1800-233-1008
Temple office phone	0734-2550563 / 0734-2559277
Email	office@mahakaleshwar.nic.in
Office	Shri Mahakaleshwar Jyotirlinga Karyalay, Prashasnik Bhawan, Ujjain

Rules for the chatbot: - Bhasma Aarti is a special pre-dawn ritual, separately controlled — treat it as its own booking flow. - Booking rules, ID requirements, reporting time, dress code, entry gates, and eligibility all change — always point to the official temple portal for the current rule. - Never imply a general darshan ticket automatically grants Bhasma Aarti access. - Never invent ticket prices or slot availability.

Mahakal-related Q&A

Q. Where is Mahakaleshwar Temple? In Ujjain, Madhya Pradesh — the city's principal Jyotirlinga pilgrimage site. **Q. Is Mahakaleshwar a Jyotirlinga?** Yes, one of the twelve celebrated Jyotirlingas. **Q. Can I book Bhasma Aarti online?** Yes, the official temple committee lists it as an online service — check the portal for current slots, eligibility, and reporting rules. **Q. What is Sheeghra Darshan?** The temple's faster/special darshan service; fee and access rules depend on the current temple system. **Q. Can I enter the temple during Simhastha without restrictions?** Don't assume so — access and queues can be tightly regulated on high-footfall days; follow the latest temple and district instructions.

5. Important Temples & Pilgrimage Places

Place	Chatbot-ready description
Shri Mahakaleshwar Temple	Primary Jyotirlinga shrine; central pilgrimage destination.
Harsiddhi Temple	Ancient Shakti-associated temple, known for its large lamp pillars and religious importance.
Kal Bhairava Temple	Important Shaivite/Bhairava shrine near the Kshipra; traditional ritual offerings are associated with it.
Mangalnath Temple	Shiva/Mangal temple, traditionally linked to the birth of Mars in the Matsya Purana.
Gopal Mandir	Maratha-era temple in the city centre, associated with Krishna, noted for marble/silver-plated features.
Bade Ganesh Temple	Near Mahakaleshwar; large Ganesh image and a nearby Panchmukhi Hanuman image.
Chintaman Ganesh Temple	~7 km from the city; tradition associates the idol with a self-manifested form.
Sandipani Ashram	Traditional site linked to Guru Sandipani and the education of Krishna and Sudama.
Navagraha Mandir (Triveni)	Temple dedicated to the nine planets, near Triveni Ghat.
Gadkalika Temple	Ancient temple associated with Goddess Kali and Kalidasa lore.
Kaliyadeh Palace	Historic site on the Kshipra, includes a Sun Temple.
Rama-Janardana Mandir	Complex with Rama, Lakshmana, Sita, Janardana-Vishnu images; Maratha-period features.
Chaubis Khamba	Historic gateway structure with 24 ornate pillars; associated with Mahamaya and Mahalaya.
Mahakal Lok	Major heritage/pilgrimage development around the Mahakaleshwar area; access/crowd flow during Simhastha is event-specific.

6. Kshipra River, Ghats & Bathing

The Kshipra (Shipra) is the sacred river around which Ujjain's pilgrimage identity is organised. Ram Ghat is specifically the location associated with the Shahi Bath of Simhastha.

- Pilgrims may ask for the nearest ghat, safest bathing point, crowd level, or access route.
- **Never hard-code** a "safe/available ghat" for 2028 without checking the latest mela administration notice.
- On principal bathing days expect crowd-control barriers, one-way pedestrian movement, restricted vehicle access, and regulated entry/exit.
- Do not advise children, elderly pilgrims, or non-swimmers to enter deep water — direct them to supervised/authorized bathing

arrangements.

- Follow police, lifeguard, volunteer, and barricade instructions even if a map shows a different route.
- River conditions, water quality, access points, and bathing arrangements can change without notice.

Q. Where is the main Shahi Snan held? The Kshipra river ghats are the sacred bathing area; Ram Ghat is specifically identified with the Shahi Bath. Confirm the exact 2028 ghat allocation and movement plan with the mela administration.

7. How to Reach Ujjain

By Air

Devi Ahilyabai Holkar Airport, Indore, is the nearest airport, approximately 53 km from Ujjain (some sources cite up to ~58 km depending on measurement). Regular flights connect Indore with major cities including Delhi, Mumbai, Pune, Jaipur, Hyderabad, and Bhopal. For 2028, check flight schedules and airport-to-Ujjain transfer arrangements close to travel dates.

By Rail

Ujjain Junction (station code **UJN**) is the city's main station, on the Western Railway network, in the Ratlam railway division. It is an A-category station with 8 platforms, handling roughly 75,000 passengers a day, and dates back to 1876.

Other stations serving Ujjain district (mainly useful for local/passenger trains, not the primary arrival point for most pilgrims):

Station	Code	Line / Section	Notes
Ujjain Junction	UJN	Nagda-Ujjain, Ujjain-Bhopal, Indore-Dewas-Ujjain	Main station; use this for long-distance trains
Nagda Junction	NAD	New Delhi-Mumbai main line; Kota-Nagda-Ratlam; Nagda-Ujjain	Major junction ~44-56 km from Ujjain, useful for trains that don't halt at Ujjain
Vikramnagar	VRG	Indore-Dewas-Ujjain section	Small local station within Ujjain city; long-distance trains prefer Ujjain Junction
Pingleshwar	PLW	Ujjain-Bhopal section	Small local station
Chintaman Ganesh	CNN	Fatehabad Chandrawatiganj-Ujjain section	Named for the nearby temple; reopened 2021 after gauge conversion
Fatehabad Chandrawatiganj	FTD	Fatehabad Chandrawatiganj-	Junction

For 2028, always tell pilgrims to check current schedules and any Simhastha special trains via IRCTC/Indian Railways rather than relying on this static table.

By Road

Ujjain has regular bus connections with Indore, Bhopal, Ratlam, Gwalior, Mandu, Dhar, Kota, and Omkareshwar, and broader road connectivity to major cities.

Origin	Approx. road distance
Indore	~53 km
Dewas	~37 km
Bhopal	~183 km
Ratlam	~76 km
Ahmedabad	~402 km
Gwalior	~451 km
Khajuraho	~570 km
Mumbai	~655 km
Delhi	~774 km

Distances are approximate reference values and can vary by route. During Simhastha, normal road times may be far longer due to diversions, parking controls, and pedestrianisation.

8. Local Mobility & Travel Planning

- **Railway station:** Ujjain Junction (UJN) is the primary arrival point.
- **Bus:** Ujjain has multiple bus/transport points; Nanakheda and Dewas Gate are common reference locations.
- **Auto/e-rickshaw/taxi:** Availability and fares are dynamic. During Simhastha, vehicles may stop at designated drop zones rather than temple/ghat entrances.
- **Walking:** On peak days, walking may be faster than road transport — but stick to barricaded pedestrian routes.
- **Parking:** Never promise parking near Mahakaleshwar or the ghats on peak dates — use official designated parking and shuttle arrangements when announced.
- **Accessibility:** For wheelchair-accessible entry, elderly assistance, or medical support, note that exact 2028 accessible routes are dynamic and must be confirmed closer to the event.
- **Family travel:** Recommend a fixed meeting point and a written emergency-contact card.

Q. Can I drive directly to Mahakaleshwar Temple on Shahi Snan day? Don't assume so. Peak-day vehicle restrictions and designated parking/drop zones are likely — follow the latest traffic police/mela route plan.

9. Police, Security & Emergency

District Ujjain currently lists 31 police stations: 15 urban and 17 rural. The urban list includes Neelganga, Nanakheda, Kotwali, Mahakal, Kharakua, Madhav Nagar, Dewas Gate, Mahila Thana, Jiwajigunj, Chimangunj, Bherugarh, Naagjhiri, AJAK, Traffic Thana, and Chintaman.

Emergency Numbers

Emergency / service	Number
Ambulance	102
Women Helpline	1091
Child Helpline	1098
CM Helpline	181
Ujjain SP / Police Control Room	0734-2527130

For a lost person, missing child, theft, suspicious activity, or crowd emergency: move to the nearest police/help desk or clearly marked assistance point and call the appropriate service. During Simhastha, use official mela help centres where available.

Security rule: Never publish unverified checkpoint locations, police deployment counts, restricted-route “workarounds,” or any advice for bypassing barricades. Security arrangements are operational and must come from official sources only.

10. Hospitals, Ambulance & Medical Assistance

Facility	Location	Phone / note
District Hospital	Agar Road, Ujjain 456001	0734-2554783
Government Hospital Madhavnagar	Vikram Marg, Madhav Nagar	0734-2530960
Govt Dhanwantari Ayurvedic Hospital	Mangalnath Marg, Agar Road	0734-2580531
Mother & Child Hospital (Charak)	Near District Hospital, Agar Road	Government directory listing
Pushpa Mission Hospital	Rishi Nagar, Dewas Road	0734-2519447

Additional private hospitals exist in Ujjain — use a maintained local directory rather than claiming one private hospital is the “only” or “best” option.

First-aid guidance for the chatbot to give directly (not a diagnosis): - Medical emergency → call ambulance **102** and give a precise location or nearest landmark. - Heat exhaustion/dehydration → move to shade, cool the person, give fluids if conscious and able to drink, seek care if severe. - Chest pain, severe breathing difficulty, unconsciousness, major bleeding, seizure, serious injury, or suspected stroke → treat as an emergency, call for medical help immediately. - During Simhastha, temporary medical posts/camps are expected but their exact locations must come from the official mela medical plan, not this document.

11. Hotels, Resorts, Dharmshalas & Stay

District Ujjain and MP Tourism maintain accommodation directories with hotels, resorts, and dharamshala-style options. Availability and prices are highly dynamic and will be especially volatile during Simhastha.

Property / type	Current directory location / note
MPT Ujjaini	University Road, near Madhav

	Club, Freeganj
MPT Shipra Residency	Near Ujjain Dewas Road / Madhav Club Road, close to railway junction
MPT Avantika	Central Ujjain
MPT Samrat Vikramaditya The Heritage	Near Mahakal Temple; heritage accommodation
Hotel Anjushree	Goyala Khurd, Indore Road
Hotel Imperial	Near Hari Phatak, Ujjain-Indore Road
Hotel Atharva	Near Jantar Mantar, Mahakal- Harsiddhi bypass road
Hotel Abika Elite	Nazar Ali Marg No. 2
Hotel Mittal Avenue	Ujjain
Hotel Rama Krishna	Central Ujjain

Other listed properties include Kshipra Motel, Hotel Surana Palace, Hotel Ashray, Meghdoot Restaurant/Resort, and Yatrika Niwas. Always point to the latest directory for current contact details.

Stay-selection Logic for the Chatbot

- **Near Mahakal:** best for temple-focused pilgrims; peak-day access may be restricted, expect walking.
 - **Near railway station:** convenient for train arrivals/departures, shorter transfers.
 - **Freeganj / Madhav Club area:** good city access, mixed accommodation.
 - **Indore Road / Nanakheda:** useful for road/airport-side access, larger properties.
 - **Budget / dharamshala:** good for families/groups; verify cleanliness, ID rules, cancellation policy, actual location.
 - **Simhastha camp/tent accommodation:** event-specific and dynamic — never invent a camp address.
-

12. Food, Water & Daily Essentials

- Ujjain has restaurants, local food outlets, dharamshala kitchens, and temple/community food arrangements.
 - During the mega-event, food stalls and annakshetra arrangements may be temporary and can change.
 - Prefer sealed drinking water or officially provided safe drinking-water points when available.
 - Pilgrims should carry oral rehydration solution, personal medicines, a small water bottle, and light snacks if permitted.
 - Never claim tap water is safe everywhere — defer to official local advisories.
 - Vegetarian food is widely available in pilgrimage areas, but individual premises can have their own rules.
-

13. Parking & Vehicle Management

Parking is a major dynamic component of Simhastha operations. Current local listings show parking near Mahakaleshwar and the railway station, but these should not be presented as guaranteed 2028 event parking.

- On normal days, parking exists near major attractions.
- During Simhastha, expect remote parking zones, shuttle systems, no-vehicle zones, and pedestrian-only corridors.

- Never advise parking on a road, emergency lane, bridge, ghat approach, or barricaded area.
- Ask whether the visitor is travelling by car, two-wheeler, bus, or train before giving parking advice.
- For peak dates, recommend arriving early and following official parking/shuttle instructions.

14. Pilgrim Safety & Family Management

- Keep a photo of group members and a written contact card.
- For children, use an ID card/bracelet with guardian name and phone number.
- Choose a fixed family meeting point before entering a crowded zone.
- Don't rely only on mobile GPS — network congestion is common in dense crowds.
- Avoid carrying unnecessary valuables and large amounts of cash.
- Never climb barricades, enter restricted river areas, or follow unofficial shortcuts.
- Elderly pilgrims should avoid the most crowded peak windows when possible and use assistance facilities.
- Pregnant travellers, infants, and people with mobility limitations should plan shorter walking distances and medical support.
- In heat, hydrate regularly, rest in shade, avoid long continuous exposure.
- At night, stay in well-lit, populated areas and follow police/volunteer directions.

15. Lost & Found / Missing Person Workflow

- Immediately inform the nearest police/help desk or mela assistance centre.
- For a missing child, contact police/women/child support immediately — don't wait for the person to return on their own.
- Provide name, age, clothing, last-seen location, photo, and phone number if available.
- Use the designated family meeting point system if the event authority provides one.
- Never publish a missing person's private details publicly through the chatbot unless the user is on an authorized workflow.
- If the chatbot supports a digital lost-person module, store a case ID, not unnecessary personal data.

16. Elderly, Children, Women & Accessibility

User need	Recommended chatbot response pattern
Elderly	Suggest a low-walking plan, less-crowded date/time, rest points, medical access; verify 2028 routes.
Children	Recommend ID card, guardian contact, fixed meeting point, child-help services.
Women travelling alone	Provide official women helpline 1091; recommend well-lit, staffed routes.

Wheelchair user	Ask the destination; give official accessible entry/parking info only when published.
Pregnant traveller	Recommend medical consultation before peak-crowd travel; avoid unverified route shortcuts.
Foreign traveller	Recommend passport/ID copies, local emergency numbers, accommodation confirmation, official tourist guidance.

17. Money, Banks & Post Offices

Banks currently listed for Ujjain district include Bank of Baroda, Bank of India, Canara Bank, Punjab National Bank, State Bank of India, and UCO Bank. The post-office directory lists the Head Post Office at Dewas Gate near the railway station, plus sub-post offices at City, Dani Gate, Daulatganj, Madhav Nagar, Nanakheda, Rishi Nagar, Shri Mahakal, and others.

- Carry at least one backup payment method.
 - UPI is useful, but connectivity is not guaranteed in the largest crowds.
 - Never share OTP, PIN, CVV, or banking passwords with anyone claiming to be a temple, police, or travel official.
 - The chatbot should proactively warn about fake booking websites and impersonation scams.
-

18. Weather & What to Carry

Exact 2028 weather cannot be known in advance. The March–May period tends to be hot; pilgrims should prepare for heat and sun exposure. Direct users to an official weather service for short-range forecasts.

Packing list: light breathable clothing appropriate for temple/local customs; cap/hat, sunglasses, sun protection; reusable water bottle where permitted; personal medicines/prescriptions; comfortable walking footwear (expect long walking distances on restricted-vehicle days); power bank (stored safely); government/temple ID and booking confirmations where required; a small emergency card with name, blood group (if known), emergency contact, and hotel/camp name.

19. Pilgrimage Itinerary Templates

One-day Ujjain - temple focused: Early arrival → hotel/baggage drop → Mahakaleshwar darshan if slot/access permits → nearby temples → lunch/rest → Harsiddhi / Ram Ghat area → evening devotional activity → return to stay. Never promise exact darshan times without checking current temple slots.

Two-day Ujjain - balanced: - Day 1: Mahakaleshwar + Mahakal Lok/nearby heritage zone + Harsiddhi + Ram Ghat. - Day 2: Kal Bhairava + Mangalnath + Sandipani Ashram + Gopal Mandir / other selected sites. - Adjust based on crowd, weather, temple timings, and transport restrictions.

Simhastha peak-day plan: - Stay close to the approved transport corridor or arrive a day earlier. - Keep luggage minimal. - Use official parking/shuttle or railway arrangements. - Reach the designated

bathing zone well before expected peak movement. - Keep the family together; carry water and essential medicines. - After bathing, follow the one-way exit route — never cross barricades or reverse through the crowd.

20. High-Frequency Chatbot FAQ Bank

Q. When is Simhastha 2028 in Ujjain? The current published planning window is 27 March 2028 to 27 May 2028. **Q. What are the Shahi Snan dates?** The three principal dates currently published are 9 April, 23 April, and 8 May 2028. **Q. Where is Simhastha held?** In Ujjain, centred around the Kshipra River and its pilgrimage/ghat zones. **Q. What is Simhastha?** Ujjain's Kumbh gathering — a major religious and cultural pilgrimage centred on sacred bathing and akhara traditions. **Q. How often is Simhastha held?** Traditionally about once every 12 years, tied to Jupiter's movement into Simha (Leo). **Q. Which river is in Ujjain?** The Kshipra, also spelled Shipra. **Q. What is Ujjain's population?** The last verified census (2011) recorded ~5.15 lakh in the city and ~19.87 lakh in the district; the 2021 census was postponed, so any 2026 figure is only an estimate (commonly cited between ~6.2 and 7.7 lakh for the city). **Q. Which is Ujjain's famous Jyotirlinga?** Shri Mahakaleshwar Jyotirlinga. **Q. How do I reach Ujjain by flight?** Fly to Devi Ahilyabai Holkar Airport in Indore (~53 km from Ujjain) and travel onward by road. **Q. How do I reach Ujjain by train?** Use Ujjain Junction (UJN), on the Western Railway network, connected to major cities. **Q. What is Ujjain's railway station code?** UJN. **Q. Are there other railway stations near Ujjain?** Yes — Nagda Junction (NAD), Vikramnagar (VRG), Pingleshwar (PLW), Chintaman Ganesh (CNN), and Fatehabad Chandrawatiganj Junction (FTD) — but Ujjain Junction is the main station for long-distance trains. **Q. Can I get direct trains to Ujjain?** Many major-city connections exist, but exact 2028 schedules and special trains should be checked with Indian Railways/IRCTC. **Q. How far is Indore from Ujjain?** Approximately 53 km by road; actual travel time varies. **Q. How far is the airport from Ujjain?** Indore's Devi Ahilyabai Holkar Airport is approximately 53 km away. **Q. Where is Ram Ghat?** On the Kshipra in Ujjain; associated with the Shahi Bath of Simhastha. **Q. Can I bathe in the Kshipra during Simhastha?** Bathing is a central pilgrimage activity, but use only designated/authorized bathing areas and follow current safety and crowd-control instructions. **Q. Is there free food?** Community meals/annakshetra and food services may exist, but exact 2028 arrangements should be confirmed from official announcements. **Q. Are hotels available?** Yes — hotels, resorts, government tourism properties, and dharamshala-style accommodation. Simhastha demand will be much higher, so book early through verified providers. **Q. Will hotel prices be higher during Simhastha?** Demand is likely higher, but never quote an exact 2028 price without current verified booking data. **Q. Can I stay in a dharamshala?** Yes; rules, availability, and booking procedures vary. **Q. Can I park near Mahakaleshwar?** Don't assume so on Simhastha peak days — follow the official parking and shuttle plan. **Q. Is auto-rickshaw available?** Yes, but event restrictions can change where vehicles are allowed to enter. **Q. What is the ambulance number?** 102. **Q. What is the women helpline?** 1091. **Q. What is the child helpline?** 1098. **Q. What is the police control-room/SP number?** 0734-2527130. **Q. What should I do if I lose my child?** Immediately contact the nearest police/help desk or child-support service; give the child's photo, clothing description, and last-seen location. **Q. What should I do if I lose my phone?** Report it to police/help desk, secure SIM/accounts, and use device-tracking/remote-lock features if enabled. **Q. What should I do if I feel sick in the crowd?** Move toward a staffed assistance/medical point, inform a volunteer/police officer, and call 102 for a serious emergency. **Q. Where is the**

district hospital? Agar Road, Ujjain; phone 0734-2554783. **Q. Where is Pushpa Mission Hospital?** Rishi Nagar, Dewas Road; phone 0734-2519447. **Q. Can I get Bhasma Aarti tickets online?** Yes, the official temple committee lists this online — verify the latest slot and eligibility rules. **Q. What is Sheeghra Darshan?** A special/faster darshan service; fee, slot, and access rules can change. **Q. What is Mahakal Lok?** A major pilgrimage/heritage development around the Mahakaleshwar area; crowd movement and access during Simhastha are event-specific. **Q. Which temples should I visit besides Mahakal?** Harsiddhi, Kal Bhairava, Mangalnath, Gopal Mandir, Bade Ganesh, Chintaman Ganesh, Sandipani Ashram, and others. **Q. What is Kal Bhairava famous for?** An important Bhairava shrine with distinctive traditional worship practices. **Q. What is Mangalnath famous for?** A Shiva/Mangal temple traditionally associated with Mars, located by the Kshipra. **Q. What is Sandipani Ashram?** A traditional site linked to Guru Sandipani and the education of Krishna and Sudama. **Q. What is Chintaman Ganesh?** A well-known Ganesh temple ~7 km from the city, traditionally associated with a self-manifested idol. **Q. What is Harsiddhi Temple?** An ancient temple associated with Goddess Harsiddhi, noted for its lamp pillars and religious importance. **Q. Can elderly people visit Simhastha?** Yes, but plan for heat, long walks, and crowd pressure; choose less crowded dates/times and verify accessible routes. **Q. Is Simhastha safe?** Authorities plan extensive crowd, police, and medical management, but pilgrims must follow official instructions and prepare for very large crowds. **Q. Should I travel on Shahi Snan days?** You can, but these are the highest-pressure dates. For temple sightseeing rather than the principal bath, consider a less crowded date. **Q. Are there special trains and buses for Simhastha?** Such arrangements may be announced closer to the event — answer only from current railway/transport notifications. **Q. Can I use Google Maps during Simhastha?** Maps help for general orientation, but official barricades and event routes override ordinary map navigation. **Q. Will mobile network work?** Network performance can vary sharply in large crowds — carry written information and a power bank. **Q. What documents should I carry?** Government ID, booking confirmations, emergency contacts, and copies/photos of essential documents. **Q. Can I bring large luggage to the temple/ghat?** Avoid unnecessary luggage — temple and mela security rules may restrict bags/items; check the latest official rules. **Q. Can I take photographs everywhere?** Rules vary by temple and controlled area — follow posted instructions and security directions. **Q. What should I do during extreme heat?** Rest in shade, hydrate, reduce exertion, and seek medical care for severe symptoms such as confusion, fainting, or breathing difficulty.

21. RAG / Vector Database Preparation

Do not rely on this document alone in production. Store the knowledge as chunks with metadata so the retriever can distinguish stable facts from dynamic event operations.

Recommended Metadata Schema

Key	Example
doc_id	simhastha2028_ujjain_core_001
category	transport / temple / police / medical / hotel / simhastha / demographics
entity	Mahakaleshwar Temple
location	Ujjain, Madhya Pradesh
language	en

aliases	Mahakal, Mahakaleshwar, Shri Mahakaleshwar
fact_status	stable / published / dynamic / proposed / estimate
valid_from	2026-09-05
valid_until	null or specified
source_type	government / temple committee / tourism / local directory / census / media
source_url	official source URL
last_verified	2026-09-05
priority	1-5

Recommended Chunking

- Chunk size: roughly 300–700 words for narrative pages, or one logical record for contact/location data.
- Keep emergency numbers in small standalone chunks for high retrieval precision.
- Keep each hotel, hospital, temple, railway station, and police station as an individual entity record.
- Store aliases and common misspellings (Mahakal/Mahakaal/Mahakaleshwar; Shipra/Kshipra; Simhastha/Singhasth).
- Add a dynamic=true field to operational records.
- Use hybrid retrieval (semantic + keyword) for names, phone numbers, and dates.
- When answering date-sensitive questions, prefer the newest source by last_verified.

Suggested Entity Records

Entity ID	Type	Canonical name	Alias
MAHAKALESHWAR	Temple	Mahakaleshwar Jyotirlinga, Ujjain	Mahakal; Mahakaal Mahakale
SIMHASTHA_2028	Event	Simhastha 2028, Ujjain	Singhasth Simhasth; Ujjain Kuri Mahakum
KSHIPRA	River	Kshipra/Shipra River	Shipra; K
RAM_GHAT	Ghat	Ram Ghat, Ujjain	Ramghat
UJJAIN_JUNCTION	Transport	Ujjain Junction	UJN; Ujjai Railway S
NAGDA_JUNCTION	Transport	Nagda Junction	NAD
INDORE_AIRPORT	Airport	Devi Ahilyabai Holkar Airport, Indore	Indore Air
DISTRICT_HOSPITAL	Hospital	District Hospital Ujjain	Governme District Hospital
POLICE_CONTROL_ROOM	Emergency	Ujjain Police Control Room	SP Office
UJJAIN_DISTRICT	Geography	Ujjain District	—
UJJAIN_CITY	Geography	Ujjain City (Municipal Corporation)	Ujjain Na Nigam

22. Chatbot Guardrails — Do Not Hallucinate

- Never invent 2028 hotel availability, room rates, train numbers, bus timings, shuttle timings, or parking fees.
 - Never invent exact Shahi Snan procession timings, akhara order, ghat allocation, or police checkpoint maps.
 - Never state a temporary medical camp exists at a specific location unless the current official mela plan confirms it.
 - Never give a medical diagnosis — provide basic first-aid guidance and recommend professional care.
 - Never give unsafe crowd-navigation advice such as crossing barricades or entering restricted river areas.
 - Never expose private personal data of pilgrims, missing persons, or staff.
 - If two sources disagree, prefer the latest authoritative government/temple source and explain that schedules can change.
 - If the answer is unknown, say so — “I don’t have the latest official update” beats an invented answer.
 - Population figures beyond the 2011 census are estimates, not verified counts — always frame them that way.
-

- Census2011.co.in — Ujjain city & district population/demographic data
- Wikipedia — Ujjain district; Ujjain Junction, Nagda Junction, Vikramnagar, Pingleshwar, Chintaman Ganesh, Fatehabad Chandrawatiganj railway station articles; Nagda-Ujjain and Ujjain-Bhopal section articles

Population/growth-rate projections and non-government Simhashta calendar references were used only to cross-check figures — always verify against government/temple/railway notifications before production use.

24. Location & Coordinates Directory (For Maps / Geolocation Features)

Purpose: This section gives every major entity in this knowledge base a latitude/longitude pair so your platform can plot it on a map, calculate distances, or power “nearest X” features. Coordinates are sourced from Google Places listings as of the snapshot date — they are accurate enough for maps and routing, but **always re-verify official/government addresses (police stations, hospitals) against the district site before publishing them as authoritative**, since a business listing’s coordinates can occasionally point to a nearby landmark rather than the exact gate. During Simhastha, treat any parking/shuttle/camp coordinates issued by the mela administration as overriding anything in this table.

Each entry includes a ready-to-use map link in the format <https://www.google.com/maps/search/?api=1&query=LAT,LNG>.

Temples & Pilgrimage Sites

Entity	Area / Address	Latitude	Longitude	Map link
Shri Mahakaleshwar Jyotirlinga Temple	Jaisinghpura, Ujjain 456006	23.182937	75.768247	Open
Harsiddhi Mata Shaktipeeth Temple	Harsiddhi Marg, Jaisinghpura, 456006	23.184486	75.764656	Open
Kal Bhairav Mandir	Bhairavgarh, Goyala Buzurg, 456003	23.218151	75.768930	Open
Mangalnath Mandir	Ankpat Marg, Agar Road, 456006	23.221981	75.785514	Open
Gopal Mandir (Dwarkadhish)	Patni Bazar, Kamri Marg, 456006	23.187999	75.771156	Open
Bade Ganesh Mandir	Inside Mahakal Temple premises, 456006	23.183689	75.767439	Open
Chintaman Ganesh Temple	Ratnakhedi, ~7 km from city, 456006	23.146721	75.739131	Open
Sandipani Ashram	Mangalnath Marg, 456006	23.211184	75.782361	Open
Navagraha Shani Mandir (Triveni)	Motibagh Colony, Dhediya, 456006	23.128023	75.793830	Open
Gadkalika Mata Temple	Urdupura, 456006	23.208286	75.770294	Open
Kaliyadeh Palace	Island on the Kshipra, 456003	23.249072	75.777966	Open

Ram Janardan Mandir	Near Gadh Kalika, 456006	23.210067	75.778598	Open
Chaubis Khamba (Mata Temple)	Gudri Chouraha, Jaisinghpura, 456006	23.184212	75.770910	Open
Mahakal Lok (heritage corridor)	Bagambag Colony, 456006	23.177553	75.769507	Open
Ram Ghat (approach road)	Ram Ghat Marg, Kartik Chowk, 456006	23.188097	75.765161	Open

Hospitals

Entity	Area / Address	Latitude	Longitude	Map link
District Hospital Ujjain	Agar Road, Malipura, 456001	23.185329	75.782966	Open
Government Hospital Madhav Nagar	Vikram Marg, Madhav Nagar, 456010	23.178140	75.794129	Open
Govt. Dhanwantari Ayurvedic Hospital	Chimanganj Mandi, 456001	23.195322	75.789490	Open
Pushpa Mission Hospital	Dewas Road, Rishi Nagar, 456010	23.168296	75.795963	Open
Charak Bhavan (Mother & Child Hospital)	Agar Road, Nijatpura, 456001	23.187327	75.783590	Open

Police Stations

Entity	Area / Address	Latitude	Longitude	Map link
Kotwali Thana	Nazar Ali Marg, Malipura, 456001	23.189333	75.781177	Open
Mahakal Thana	Kot Mohalla, Jaisinghpura, 456006	23.181569	75.770532	Open
Nanakheda Police Station	Behind Dindayal Upadhyaya Bus Stand, 456010	23.158181	75.789065	Open
Chimanganj Mandi Police Station	Sandipani Nagar, 456001	23.197186	75.789359	Open
Madhav	Varruchi Marg,			

Nagar Police Station	Madhav Nagar, 456010	23.175832	75.791878	Open
Mahila Thana	Freeganj, Madhav Nagar, 456010	23.175928	75.792083	Open
Neelganga Police Station	Keshav Nagar, 456010	23.174018	75.771812	Open
Traffic Police Station	Mahashweta Nagar, 456010	23.161837	75.795116	Open
Kharakua Police Station	Kamri Marg, 456006	23.188595	75.773332	Open
Jiwajiganj Police Station	RNT Marg, Kajipura, 456006	23.196867	75.774731	Open
Bherugarh (Bhairavgarh) Police Station	456003	23.229089	75.773009	Open
Chintaman Police Station	Chintaman Jawasiya, 456006	23.135531	75.727959	Open
Dewas Gate Police Station	Malipura area, 456001 (approximate — verify exact gate location)	23.181578	75.782850	Open

Note: Naagjhiri and AJAK police stations did not return a reliable independent listing distinct from the above entries — confirm their exact coordinates with the district police directory before using them in a live app.

Hotels, Resorts & Guest Houses

Entity	Area / Address	Latitude	Longitude	Map link
MPT Ujjaini	University Road, Madhav Nagar, 456010	23.178742	75.786197	Open
MPT Shipra Residency	University Road, Teen Batti Chauraha, 456010	23.177571	75.786438	Open
MPT Avantika	Near Nanakheda Bus Stand, 456010	23.159332	75.789787	Open
MPT Samrat Vikramaditya The Heritage	Near Mahakal Temple, 456006	23.184102	75.769068	Open
Hotel Anjushree	Indore-Ujjain Road, Goyala Khurd,	23.140182	75.791002	Open

Hotel Imperial Grand	456010 Hari Phatak, Indore Road, 456010	23.168517	75.773706	Open
Atharva Hotel & Resort	Harsiddhi bypass road, near Jantar Mantar, 456010	23.173317	75.761677	Open
Hotel Mittal Avenue / Paradise	Ring Road, Nanakheda, 456010	23.159222	75.778989	Open
Hotel Surana Palace	Dashaahara Maidan Road, Sethi Nagar, 456010	23.176170	75.795931	Open
Kshipra Guest House (Motel)	Ashok Nagar, Madhav Nagar, 456010	23.177326	75.788063	Open

Hotel Abika Elite, Meghdoot Restaurant/Resort, and Yatrika Niwas did not return a confident independent map match — verify current address via the district accommodation directory before publishing.

Transport Hubs

Entity	Area / Address	Latitude	Longitude	Map link
Ujjain Junction (UJN)	Malipura, 456001	23.178653	75.780788	Open
Nagda Junction (NAD)	Kilkipura Juna, Nagda	23.455800	75.412900	Open
Vikramnagar Station (VRG)	Ujjain city	23.162000	75.818000	Open
Pingleshwar Station (PLW)	Ujjain-Bhopal section	23.211200	75.860800	Open
Chintaman Ganesh Station (CNN)	Near Chintaman Ganesh Temple	23.146100	75.740900	Open
Fatehabad Chandrawatiganj Jn (FTD)	Fatehabad Chandrawatiganj	23.010591	75.673990	Open
Nanakheda Bus Stand	Nanakheda, 456010	23.158432	75.787583	Open
Dewas Gate Bus Stand	Malipura, 456001	23.181578	75.782850	Open
Devi Ahilyabai Holkar Airport, Indore	Indore 452005	22.728004	75.804099	Open

Banks, Post Office & Landmarks

Vikram / Samrat Vikramaditya University	University Road, 456010	23.167820	75.802731	Open

RAG Metadata Note for This Section

When chunking this section for retrieval, store each row as its own record with fields {name, category, address, lat, lng, maps_url, source: "google_places", last_verified: "2026-09-05"}. Tag every record coordinate_status: "approximate" unless cross-verified against a government source, and never surface a coordinate for a temporary Simhastha-only structure (camp, parking lot, medical tent) that isn't in this table — those must come from the live mela geodata feed, not this static file.

25. Update Checklist Before Production Launch

When	Update these fields
Immediately when official notices appear	Mela dates, snan dates, ghat list, akhara schedule, rules
6-12 months before event	Hotels, tent cities, railway special trains, bus services, airport transfers
3-6 months before	Parking zones, shuttle routes, traffic diversions, medical camps, police help centres
1-4 weeks before	Daily route restrictions, weather, crowd advisories, temple slots, live transport
Daily during event	Road closures, crowd density, ghat access, train/bus changes, weather alerts, emergency notices

Prepared as a RAG seed document for a Ujjain / Simhastha 2028 pilgrim & travel assistant. This is a planning knowledge base, not an official government notification. Verify all dynamic fields against primary sources before serving them in production.
